NYC Museum School (02M414)**

Section I: Title I Parent Involvement Policy

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore NYC Museum School, *[in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act]*, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. NYC Museum School's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent-Teacher Association, and Title I Parent Advisory Council, as trained volunteers and welcomed members of our school community. NYC Museum School will support parents and families of Title I students by:

1. providing materials and training to help parents work with their children to improve their achievement level (e.g., literacy, math, and use of technology);
2. providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
3. fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
4. providing assistance to parents in understanding City, State and Federal standards and assessments;

6. providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community.

NYC Museum School's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the NYC Museum School Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent-Teacher Association, as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, NYC Museum School will:
