Volunteers for Committees:

Ms. Miller explained that committees are a way for SLT Team members to work together outside the confines of monthly meeting time.

Title 1 Committee:

- The Title 1 Committee or PAC participates with the SLT because Title 1 funding is part of the school budget. At NYC Museum, Title 1 expenditures benefit all students. This year is the last year of Title 1 Federal funding.
- Paula Singh is the designated Title 1 Representative on the SLT.
- Goal is for a Title 1 Meeting of parents to occur by the end of November.

Diversity Committee:

NYC Museum School is a model of diversity in District 2.

The Chancellor's priority is racial diversity.

Diversity at school is embedded in goals of the CEP.

Committee work in this area could include:

- Staying abreast of admissions policy changes and the issue in general
- Evaluating engagement with all families

Mr. Antognelli shared a list of ideas for additional committees. The list was circulated for members to consider pursuing. Ideas included, but were not limited to:

- Diversity in Admissions
- Student Welfare and Immigration Issues
- School Partnerships with Museums/Cultural Institutes
- School Partnerships with Corporate Neighbors
- Afterschool and Elective Opportunities for Students (e.g., Financial Literacy)

Members will report back at future SLT meetings.

Review of the CEP:

- Ms. Miller led the group through the current draft of the 2019–2020 CEP.
- Discussion ensued about wording of different goals. Suggestions for edits may be sent directly to Ms. Miller.
- iPlanPortal credentials in process. All members should be provisioned. Members can reach out to Tami Sturm (TSturm2@schools.nyc.gov) with any issues.

Close:

Meeting was adjourned at 8:15am.
